

SECTION 3-1 REVIEW AND REINFORCE

Pressure

◆ Understanding Main Ideas

Answer the following questions in the spaces provided.

1. What causes pressure in fluids?

2. What is the mathematical relationship between force, pressure, and area?

3. How does air pressure relate to elevation?

4. How does water pressure relate to depth?

5. List the locations in the drawing below in order from least pressure to greatest pressure.

◆ Building Vocabulary

Write an answer for each of the following questions in the spaces provided.

6. What is pressure?

7. What is a fluid?

8. What is one pascal of pressure?
